1. In September 1948 work was in progress to enlarge and convert the former military (Y98) Camp for repatriated PWs into a Landespolizeischule. Construction was begun by a contractor hired by the Hochbauamt Perleberg upon orders of the Police Department of the Brandenburg government. Funds for this undertaking were advanced by the Police Department itself. Previously, such projects were subject to the clearance of the Brandenburg Minister of Finance, Reconstruction Division (Abteilung Wiederaufbau), before contracts could be fulfilled.
